2023 RETAIL CATALOG

Welcome to the General Store of Middlebury. Our vision is to have a quality selection of merchandise that performs to our customer's expectations. We also strive to provide exceptional customer service both in store and on the phone.

The business was founded in the spring of 2011 by Myron & Luann Yoder in a 12x16 cabin. Originally known as Premier Optics, the store specialized in binoculars and rifle scopes. In 2015 the business moved to downtown Middlebury Indiana, added footwear along with an expanded optics selection, and renamed to Premier Sporting Optics & Footwear.

After 4½ years of working in the factory and running the store in his spare time, Myron decided to take the plunge and go full time with the store. Around the same time came the opportunity to purchase a different building. The optics part of the business was sold and the General Store of Middlebury was born specializing in fabrics, clothing, and footwear.

THANK YOU FOR YOUR BUSINESS!
