WHY PREDESIGNED?

Clinton Kitchens, LLC is a manufacturer of high-quality, predesigned cabinets. We offer cabinets in 3" sizes from 12" x 12" x 12" to 36" x 96" x 24".

The boxes are constructed with 1/2" plywood, with a solid-wood face frame of Maple or Red Oak. We also offer custom species at a small upcharge.

Under-mount drawer glides, solid-wood dovetail drawer boxes and soft-close doors and drawers come standard, to ensure that your new cabinet will not leave you disappointed.

With 6 door styles, dozens of paint/stain options, and hundreds of sizes, we can put together a set of cabinets to fit your needs specifically. This catalog is, however, only intended as a guide, so please contact us for an exact quote, or to visit our showroom.

GOOD LOOKS, GOOD QUALITY AND GOOD PRICES.
